OFFICIAL PUBLICATION OF
SANTA CRUZ CITY CIVIL SERVICE ASSOCIATION, INC.

JANUARY 1971

ASSOCIATION RECOGNIZED

Although the Employees' Association has always claimed to be recognized by the City, technicalities have prevented management from stating that such was the case.

By letter dated 18 January 1971 the City has now recognized the Santa Cruz City Civil Service Association, Inc. in conformance with the State law governing Employee-Employer Relations.

We hope that the problems arising from that lack of non-recognition will now be laid to rest and the important issues at hand can now be properly dealt with.
