The Gold Award is the highest achievement in Girl Scouting and it is the female counterpart to Boy Scouting's Eagle Award. It symbolizes outstanding accomplishments in the areas of leadership, community service, career planning and personal development. A plan for fulfilling the requirements is created by the Girl Scout and is carried out in close cooperation with an adult support person. The award generally requires one to two years for completion.

Cathi Kanellis, 17, and a junior at Soquel High School is one of the five who has completed her work for the Gold Award. Her service project was Brownie leadership. She has been active in 4-H as community club president and a 4-H leader. She attended three wider opportunities - the 1980 Wyoming Trek, the 1981 Capoose Capter in Michigan; and the 1982 Tinker Toys and Technology in Santa Clara.

She has been selected as an American Field Service student to New Zealand next year and departs Jan. 17. She is the daughter of Mr. and Mrs. Eugene Harlamoff of Soquel.
