

The prescription order had been forged, said reports.

Disaster Information

Capitola Aids Soquel

The Capitola Chamber of Commerce and Capitola Village Association have formed a Soquel Village Merchant's Relief Fund to help their storm-ravaged neighbors get back on their feet.

The two organizations decided to join forces when it was found that both wanted to help victims of the Jan. 4-5 storm.

Individual letters have been sent to Capitola businesses urging donations. Monies collected will be targeted for those Soquel Village businesses most hurt by the Jan. 4 storm.

Checks should be payable to: Capitola Village Association/Soquel Village Merchant's Relief Fund and be mailed to 201 Capitola Ave., Capitola, 95010.

Schools Help

The county's school districts have joined the Countywide Disaster Relief Committee to collect funds for victims of the recent disastrous storm.

Students, parents and staff will be asked to help in the effort.

Those who wish to make donations through the schools should send checks to Al Dixon, Santa Cruz County Office of Education, 809 Bay Ave., Suite H, Capitola CA 95010.

Funds From Boardwalk

The Santa Cruz Beach Boardwalk raised more than \$1,800 for the Disaster Relief Fund to use in repairing some of the storm damage throughout the county. General Manager Ed Hutton said the \$1,332 represented the gross receipts from the Beach Boardwalk's unlimited ride tickets sold on Jan. 16.
