## Home for youngsters

Some \$10,000 worth of lumber has been donated for construction of Halloran Hall for troubled youngsters on Willowbrook Lane in Aptos by the Ditz-Crane home building firm of Santa Clara and Ed Kaitz, its vice president. Kaitz (second from right), of Watsonville, and his wife, Corky, have

often opened their home to youngsters who "were having difficulties of one type or another." "I just love kids," Kaitz says. "I'd rather invest in kids than in stocks." With the Kaitzes is builder Frank Giuliana (left) and Reynold Bean, executive director of Halloran Hall. The place is scheduled to open April 1, and serve 10 youngsters.
