

## Scotts Valley Church Plans Addition

Shown above is a drawing of the proposed 3300 square foot addition which is planned by the Scotts Valley Baptist. The new unit will include Sunday school rooms, a nursery and a fellowship hall with kitchen. The addition will have a stucco

exterior and lath-plaster interior. The unit will be financed out of the regular budget and special gifts, and today is designated as commitment day and will be climaxed by a special musical service at 7 o'clock tonight, featuring Lanny Kelly of

Oakland, baritone, and combined church choirs. Next Sunday has been designated as Victory day for the campaign with a dinner scheduled for 5:30 p.m. to be followed by a sermon by Dr. Arthur Insko, Golden Gate seminary preacher.
