

City Of Santa Cruz Names New Assistant City Manager

Public Works Assistant Laura Brown has been appointed assistant city manager of Santa Cruz.

She was selected from a field of 74 applicants by City Manager Richard C. Wilson and will begin her new job late in October.

Brown has been employed by public

works for two years and been responsible for a productivity analysis, reorganizing the sanitation division and a recycling program at the dump. She also assisted in preparing the department's budget.

She has a bachelor's degree in political science from USC.
