WATSONVILLE — All Saints Episcopal Church, 437 Rogers Ave. in Watsonville, celebrates 130 years in the Pajaro Valley on Sunday at a bilingual 9:30 a.m. service.

The congregation will be joined by its companion Mission Cristo Rey. A potluck brunch will follow the service.

The tradition of All Saints Day recognizes a return to "godly order " after the revelry of All Hallows Eve, or Halloween.

The community is invited to participate on this day, and every Sunday service at 9:30 am.

Youth activities are at 11 a.m., followed by soccer on "All Saints Field." All are welcome.
