# Realtors Back SC Sewer, Library, School Bonds

Greater public service through participation in city and county projects and community leadership was pledged by members of the Santa Cruz Board of Realtors in endorsement of bond issues for a new city library, improvement of Santa Cruz sewage disposal facilities, and the high school program, President Anne Garni announced today.

The pledge was made as a prelude to observance by Santa Cruz Board members of National Realtor Week—May 24 to 30—which is sponsored by the National Association of Real Estate Boards. The week is set aside to acquaint the public with the professional services realtors give in real estate transactions and community service.

On Wednesday, in its Realtor Week luncheon program at the Dream Inn, the Santa Cruz Board of Realtors will rededicate itself

to continued observance of the Code of Ethics of the national organization in which nearly 1500 real estate boards are affiliated.

The luncheon will have as its guests city and county officials, leading Santa Cruz county civic leaders and educators, and many of the past presidents of the Santa Cruz Board of Realtors.

In selecting the motto for Realtor Week, "Move up to More in '64, a Better Home through a Realtor," Mrs. Garni said realtors are redeclaring their faith in the continuing progress of Santa Cruz county and the future development of the community.
