

CITY OF SANTA CRUZ
SUGGESTION AWARD PROGRAM

THE BANK

Are you a bank? As a City Employee you are face to face with the daily problems encountered in providing services to the citizens of our community. Your knowledge and experience are important assets to the City and you -- only if you are willing to share them.

The Suggestion Awards Program is interested in the "Deposits" in your "Bank of Knowledge". This program pays "Interest" for the use of this knowledge and awards have recently been increased.

The following is a list of some of the suggestions and awards of the past two years:

Suggestion	Award
Asphalt cutting device	\$ 60
Safety suggestion re storage of chemicals	25
Education program on city government	25
