## Town Clock: 80 Percent

Like the recent rains that have blessed the Santa Cruz area, donations to the Town Clock from the public sector continue to trickle in, and now have topped the 80 percent level of the \$60,000 goal, or \$48,723. Individuals or organizations still may give to the project at the city Finance Department, or by sending donations to Town Clock Fund, Santa Cruz Finance Department, 809 Center St., Santa Cruz, CA, 95061.
