Garfield Park Christian Church To Be Dedicated

The new sanctuary of the Garfield Park Christian church, pictured above, will be dedicated next Sunday at 3 p.m. with Dr. Cleveland Kleihauer, pastor of the Hollywood-Beverly Christian church, as the dedication speaker. The first units of the church, in the upper picture, include the sanctuary, the fellowship hall, office and pastor's

study and the two starter wings of the educational units. The lower photo shows the interior of the sanctuary, which seats more than 300 persons, with additional space in the lounge, narthex and "cry room." Sound is provided in these areas. The curving arches in the ceiling of the sanctuary add a worshipful atmosphere.
