Seacliff Inn

APTOS — A fall opening is scheduled for Seacliff Inn of Aptos, now under construction adjacent to Highway 1 at State Park Drive. The 140-room, two-story inn will be built in six

clusters around a swimming pool-patio area, according to spokesman John Nicoli of Pacific Development in Aptos. It will include a 6,000-square-foot restaurant, as well as 3,000 square

feet of conference space. The inn will be located across from Rancho del Mar shopping center, between the Crown business center and the Cabrillo Par 3 Golf Course.
