Dear Heidi:

I enclose informational material on Dr. Frank Scott and Frank Scott Enterprises, Inc., which Jerry Clarke of Depot Hill Graphics has advised us to send you. It seems that you have received many telephone inquiries on our company and need further information on us.

If you should need anything further, please let us know. It is my understanding that you only need the one copy for reference as you will not lend out the literature.

Sincerely,

FRANK SCOTT ENTERPRISES, INC.
