

Fair train

Kurt Ellison

The Santa Cruz County Railroad Historical Society will present a model railroad display in the Grange Hall at the fairgrounds during the run of the Santa Cruz County Fair, which opens tomorrow. Setting up the display Saturday were, from left, Brin Jack, Kent Jefferys and David Zuhn, members of the society. The layout features

300 feet of HO track and 500 feet of O Scale track with dozens of engines and cars. The local club is negotiating with the Grange to provide a permanent display of the model railroad at the fairgrounds. Club Members have been working five weeks constructing the track and scenic background for the display at the fairgrounds.
