## Disaster Relief Effort At UCSC

UCSC students are taking an active part in local disaster relief efforts, sending out half of the 80,000 letters currently being mailed to county residents seeking contributions to victims of the Jan. 4 storm and flood. The envelope stuffing began Tuesday morning and will continue today and Thursday in Crown Dining Hall A on the campus. Volunteers from the com-

munity are welcome to assist and may do so by going to the Crown dining hall or by calling Ruth Crook at 429-2446 or 429-2452. UCSC is committed to distributing 40,000 of the letters for the countywide Citizens Disaster Relief Committee, with the Grey Bears sending out the remaining 40,000 appeals.
