'It's Always Book Time'

Slogan for the main Library on Church street at present is "It's Always Book Time." More than 2500 children of 70 classes from the schools throughout the county are expected to visit the main library during "Children's Book Week," in the 39th year of its observance. Starting on November 13 and continuing through December 7, Mrs. Thelma Anderson,

children's librarian spends six hours a day showing different children's group from the schools the workings of the public library. She is assisted by Mrs. Phyllis Wademan, music' librarian, and Mrs. Theo Giggy, story teller. "Reaction to the program has been excellent," says Mrs. Anderson. The tour consists of an introduction to the children's room, and explanation of the arrange-

ment of books in the library, and a visit to the music room where a story is read to them and a record played. Mrs. Anderson said yesterday, "We are doing all within our power to bring children, good books, and music together." Pictured above are children from the eighth grade of the Holy Cross school with Sister Mary Raphael and Mrs. Anderson.
