

BRAIN TWISTERS

Joe came in from a night of bowling, looked at his watch and found it had stopped at 12:30. "Oh, well," he said, "what difference does it make what time it is." & went to bed. Yet the next morning when his wife asked him what time he came in he truthfully replied, "Two-thirty." How did he know?

How can you take 12 apple trees and plant them in 6 rows with 4 trees in each row?

Answers Elsewhere

May 19 marked the official opening of the Beach Street Extension. Its a beautiful job and well done.

Don Bruce and Tony Bell were at the annual Sewage Convention at Riverside and came home with lots of new ideas for our plant, and many compliments on our setup.
