## New Sign For Cowell Redwoods Park 7-19-58

Something new has been added to the state park on Highway 9 near Felton. First is the new sign changing the park from Big Trees to the Henry Cowell Redwoods state park which went into effect

on July 1. On that date Carl Schnauer became the chief supervisor. Schnauer for the past seven and a half years has been supervisor for three parks near the Oregon-California border. They were the Jedediah Smith,

the Del Norte Redwood and the Pelican Beach state parks. He is a native of Santa Clara and now is living in the park area with his wife, Mabel, and daughter, Barbara.
