

The Ohta Daughters

The daughters of Dr. and Mrs. Victor Ohta, victims in the multiple slaying Monday night, are shown above. Taura Ohta, left, is an 18-year-old design student who attends school in New York. It was reported she had left for New York early Monday. She is due to return to Santa Cruz today. At right is Lark Elizabeth Ohta, 15, a student at Santa Catalina School for Girls in Monterey. Both girls were away from home at the time of the slayings that took the lives of their parents, their brothers, Taggart, 11, and Derrick, 12, and Dr. Ohta's secretary, Mrs. Dorothy Cadwallader, 38.
