

Art to crow about

EVENTS

S.J.M.A. OCT 21 1993

JUDITH CALSON — MERCURY NEWS

These five works of art, suitable for scaring crows in a garden or decorating the interior of a home, will be auctioned next month to raise money for Agri-Culture, a non-profit group formed to tell the

story of Santa Cruz County farming through public education. The auction will be Nov. 5 at the Corralitos Community Center. Tickets are available at Agri-Culture's Watsonville office.
