

before federalized Arkansas, national guardsmen, stationed out-struct integration if the president withdrew federal troops and re- action would be impossible. They conceded the walkout had failed, where he began his political ca- Dodge station wagon loaded with it, major damage to the left side.

Arrival Of Girders Causes Celebration

10-3-57

Soquel businessmen and residents were in a jubilant mood this morning as the first two

girders for the bridge across the Soquel creek arrived. Six more girders to complete con-

struction of the bridge are expected momentarily. Construc-
