## Water Wagon

The water wagon sprinkled the county roads daily in the summertime between Ben Lomond and Santa Cruz from 1890 to 1912 making a 20 mile round trip. The tank held 2,000 gallons of water and was refilled from tanks along the way. The team of Frank and Kate (leaders) and Bud and Punch (wheelers) was owned by N.H. Toft. The driver is Ed Dollar.
