

**THEY SAILED AWAY** — Local kids participating in Kruz Kids, a day camp sponsored by Camp Hammer and Twin Lakes Baptist Church, have daily recreational and educational outings. Tuesday, the fifth and sixth graders sailed away for several hours on a Bill Lee Santa Cruz 50 sailboat, learning about water safety along the way. Lou Burr donated the trip and was skipper, too. Ron Hill is camp director and Karen Jern leads the water safety program. Some 60 kids, grades one through six, participate in the eight-week program.
