SPECIAL THANKS

This will express my deep appreciation for all of the City employees who honored me with beautiful cards, flowers and gifts for my retirement. I love you all. Also I wish to commend Angele Mellon, City Clerk, who has given a total lifetime of dedicated service to the City. It has been a great privilege to have known and worked so closely with her.

I have rather mixed feelings on the matter of retirement as 14 years ago I retired from the City of Mt. View and then came on to Santa Cruz and worked another 13 years!

However, they tell me there's a lot of living to be done "out there" - wherever "out there" may be and possibly this will be a good time to find out.

Farewell and God bless you all.
