Beach Street Revival

Vintage automobiles were the star attraction during this year's Beach Street Revival, which brought thousands of people to events at the fairgrounds and elsewhere in Watsonville during the weekend. Above, sidewalk crowd watches the 'Twilight Time Cruise' of vintage autos

Saturday evening. Below, Sandi and Dan Bernier step back to admire the hubcap of their 1950 Ford convertible that they had just polished to a sharp sheen. Dan Bernier teaches upholstery at the Sheriff's Rehab Facility near Watsonville and inmates helped him restore his car.
