## Aptos Ladies will have new banner

The Aptos Ladies Tuesday Evening Society has a new banner to hang over Soquel driver for the 16th annual Fourth of July parade.

Contributions from individuals and businesses have made possible the purchase of a new banner, said Lucile Aldrich last week, expressing gratitude on the Society's behalf.

She also sent out a reminder that this year's parade will start at noon at Wells

Fargo Bank at the corner of State Park Dr. and Soquel Dr. instead of in the village as in previous years. The parade route will lead down to the new Aptos Village Park, located just over the railroad tracks on the road to Nisene Marks State Park. "There are many open fields for parking, but the wise will arrive early," she said.

Food booths will begin serving at noon. Groups that plan to run a booth must contact Anne Isaacs (688-2950) before June 15.

Although the Cabrillo Lions Club has

volunteered to oversee trash removal in Aptos Village, Mrs. Aldrich said, "Only by individual help will the Ladies get another parade permit. It was an iffy situation in 1976 and a warning came from the board of supervisors that if rubbish is found on July 5 this year, it must might possibly be the last parade."

Antique cars will be on display in the Wells Fargo Bank parking lot before the parade.
