

Citizens For Library Bonds Name Committee Chairmen

Committee chairmen were named last night as the Citizens' Committee for Library Bonds formed and began clearing the way for action.

Elected chairmen of the citizens' committee were Len Gerkenmeyer and Mrs. Eugene Fleming. They also will serve on the steering committee along with subcommittee heads.

Subcommittee chairmen are Mrs. Wendell Van Houten, endorsements; Jack Norton and Lionel Lenox, finance; Donald Clark, Mrs. Muriel Merman and the Rev. Douglas Cox, speakers bureau; Mrs. Robert Kinsey and Mrs. Arthur Anderson, secretarial; Vester Dick, publicity.

About 80 persons have volunteered to help with the campaign for passage of the \$1.4-million library bond issue in the June election. The expanded citizens' committee has been formed to augment the work of the past year and a half by an eight-member library advisory committee which has helped the library board. Board President Warren Penniman outlined the program worked out so far. The board and committee hired library consultant John Henderson, who has worked out a program based on the present and future community library needs.

The bond issue will finance a new main library and a new east Santa Cruz branch library.

Several financial contributions to the campaign were made last night. Local banks have agreed to handle fund contributions, as will the main and branch libraries.

Group tours of the library system will be set up as part of the campaign, with Mrs. Robert Halterman in charge. Tours can be arranged through the main library or directly through Mrs. Halterman.

The steering committee—subcommittee chairmen—will meet Thursday night to review results of last night's study sessions held by the smaller groups.

Committee members present suggested several more persons who might be recruited for the bond campaign. Head Librarian Mrs. Geraldine Work said the groups will welcome anyone who wants to work for the bond issue.

Members of the long-standing advisory committee are Mrs. Merman, Mr. Clark, Mrs. Lenox, Mr. Gerkenmeyer, Roger Winegar, Jack Norton, Mrs. Robert A. Kinzie Jr., and J. Howard Eddy.
