

# The Aggies return

Members of the Watsonville Aggies, recently returned from the 1982 Senior Babe Ruth World Series in Denham Springs, La., soak up the admiration of the hometown folks during a parade Monday in downtown Watsonville. In addition to the crowd lining the parade route was a small cheering section on one of the upper floors of the Resetar Hotel, left. Team members were also treated to a barbecue during "Aggie Day." Watsonville won the first game against tournament host Denham Springs, 9-1. The Aggies then lost to Syracuse, 7-4 and were later knocked out of the tournament following a defeat at the hands of Colorado Springs, 7-2.
