

Fair Time Again

The 13th Annual Spring Fair blooms in San Lorenzo Park this weekend, with more than 300 arts and crafts exhibits, food booths and environmental displays. Mighty High, the Screaming Memes, Tao Rhythmical and a host of other entertainers are

scheduled to perform non-stop—and there'll be a guest appearance by "Balena," a 110-foot inflatable blue whale.

"Things should be a lot more professional this year than last," said organizer John Amos of the Santa Cruz Jaycees. "But there'll still be the

same casual feeling...I hope."

Admission to the fair is free, with a portion of the profits from the booths going to several local charities. The festivities run from 10 am-6 pm both days; call 476-3326 for more information. •
