

whether the money was available for other state purposes.

the entire corner has been acquired, including the Richfield service station.

down to the Gulf of Aqaba, next to both Egypt and the Trans-Jordan town of Aqaba.

from San Francisco, San Jose and Salinas will be in attendance for the affair.

Drawing Of New East Side Junior High School

This is an architect's drawing of the East Side junior high school to be built at Melrose and Poplar avenues, just off Water

street, later this year. The building has been approved by the state department of education, division of schoolhouse planning,

★ ★ ★

and by May it is expected approval will be given by the state division of architecture. Cost of the new school is expected to be

★ ★ ★

approximately \$700,000. There will be facilities for 500 students and due to the type of building, capacity can be later increased to serve 1000 students.
