

Young Reader

This young lady, you may have guessed, is Linda Crampton, 7, and that star she has her finger on means she's completed the library summer reading program for children by reading at least 15 books. In

recent days the libraries have been swarming with children. Why the rush? The annual Treasure Hunt Reading club party will be held in the civic auditorium at 2 p.m. Thursday, and the children completing the program will be given

awards. More than 800 Santa Cruz area children—including Linda, the daughter of Mr. and Mrs. Howard Crampton of Santa Cruz—will attend the party, sponsored by the library reading club.
