

# As Santa Cruzans Cleaned Up After Flood Waters Rose

City taxpayers were saving themselves some money as they helped clean up the debris clogged Seabright beach yesterday.

The driftwood was washed down from the San Lorenzo valley and into the ocean where it was deposited on the beach.

The city will clean up whatever the scavengers leave behind, Assistant City Manager Pete Tedesco said today.

Debris, rushed down by the brimming San Lorenzo river Tuesday, lined city beaches east and west yesterday. Above, in front of the casino where humans usually crowd under the

sun, driftwood presented a real obstacle to bathers. The Seaside company normally maintain this area and with the help of scavengers with a penchant for driftwood, it is expected to be cleaned up shortly.

## Movie Queen Goes On TV

By Charles Maher

Hollywood (AP).—Blanche Sweet, once a movie goddess of the highest order and now a clerk in a department store, will make her first appearance before a Hollywood camera in nearly three decades tonight.

The celebrated blonde heroine of the silent screen will return as a bit player in a nationally televised drama, "Secret Love of Johnny Spain," on the CBS Climax show.

Miss Sweet is now 62. She says this first step away from self-imposed obscurity may lead to more appearances before

word, and had done nicely without sound.

"I guess my favorite role was in 'Anna Christie' with Bill Russell," she said. "We made pictures so fast in those days it's hard for me to pick them out."

"I remember my first real successful picture was 'Judith of Bethulia.' That was the first big David Griffith production. About 1913, I think."

"After I left Hollywood in the early 30s," she said, "I did several plays in New York."

## Juveniles Serve Dinner As Rehabilitation Step

Seattle (AP). — Several hundred Seattleites invested 75 cents or more last night in a good meal and the future of nine young Negro boys.

The meal was served by the boys, cooked by their mothers, sisters and friends and spawned in the burglary of a local grocery

tence for 30 days in which they could prove they wanted to be good citizens.

Being good citizens meant paying the grocer \$100 to cover the cost of goods lost, damaged or consumed in the raid. The boys, all members of a group called the King Cobs, investigated their
