A special supplement to the Register-Pajaronian

Welcome to Watsonville Community Hospital

An aerial photograph of the Watsonville Community Hospital courtyard. The building is a large, multi-story structure with a light-colored facade and dark, rectangular windows. The courtyard is paved with a light-colored material and features several palm trees. A blue, corrugated metal roof is visible in the foreground, and a black light pole stands in the center of the courtyard.

Grand opening celebration Sunday, April 19

Doors open Sunday, April 26
