City limits

These are the boundaries for the city of Aptos proposed by the incorporation committee of the Aptos Chamber of Commerce. The "city" extends from Park Avenue on the west to La Selva Beach on the east, and would have an estimated population of 30,000. This map is also being displayed at Bank of

America at Deer Park, County Bank at Rancho del Mar, Aptos post office, Aptos High School, and Aptos Office Equipment in Aptos Village. The chamber is backing a drive to incorporate Aptos so it will have its own city government.
