Movers carry a shelving unit into the new Valley Churches headquarters Thursday.

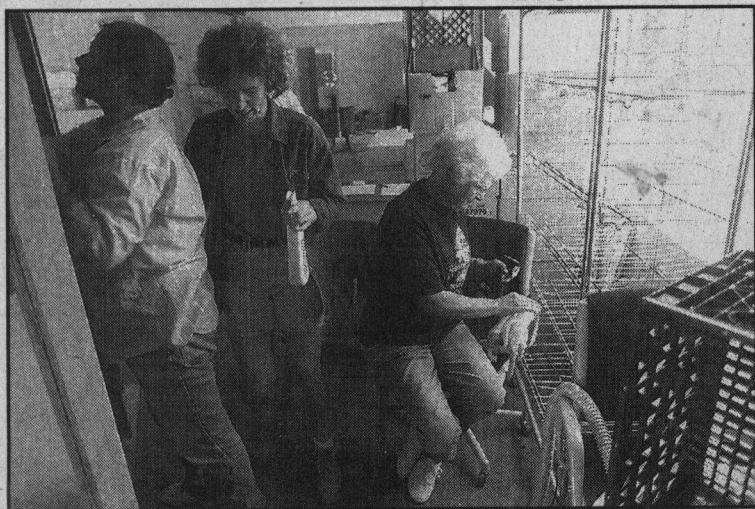

Churches - 1990 New home for Valley mission

Sentinel staff report

BEN LOMOND — Valley Churches United Missions, a countywide relief organization, moved about a block Thursday to bigger and better quarters.

Offices at the new site, at Highway 9 and Love Creek Road near Ben Lomond Super, will be open Monday.

Valley Churches bought the new building. It includes a CB station for emergency communications during disaster situations.

Volunteers apply a little elbow grease to get the new office into shape Thursday.
