These Sentinel photographs show the extent of the recently-completed highway project on the Ocean Shore highway from Finney creek to 1 mile north of Ano Nuevo creek just beyond the county line in San Mateo county.

Top left is looking south on the new highway, a wide, two-lane modern road while top right shows the sharp right angle turn at the old bridge across Ano Nuevo (New Year) creek. The new project eliminates the narrow and dangerous bridge crossing for through traffic.

Lower left is a view of the new highway looking north while at the lower right is a picture of the old bridge at Ano Nuevo creek.

The project was completed earlier this month by the Granite Construction company of Santa Cruz in a contract with the state division of highways and the board of directors of Joint Highway District No. 9.

Farm Bureau Directors To Meet Thursday

A report of the California Farm Bureau federation convention at San Diego will be presented to members of the board of directors of the Santa Cruz Farm Bureau at their meeting Thursday night at 8 o'clock at the Agriculture building, 555 Ocean street, Secretary Henry Berbert announced.

Plans for the farm bureau Christmas party will also be discussed.

County School Administrators To Meet Tomorrow

Harry Skelly of the California department of education will talk on "Trends and New Laws" at the dinner meeting of the county administrators association tomorrow at 7 p.m. at the Trout Farm inn in Felton.

Skelly, a consultant in the field of audio-visual education, will discuss how new laws affect the financing of audio-visual education on a local level.

SUBDUE RUBBISH FIRE

Firemen from the main fire station extinguished a rubbish fire at the San Lorenzo river mouth parking lot last night. Firemen reported that the rubbish had been dumped there by the Seaside company, which owns the lot, and had been set alight by "unknown persons."

Driver Escapes Hurts In Crash

An 83-year-old man escaped injury Friday afternoon when the car he was driving collided with a Granite Construction company tractor on the Los Gatos highway. Thomas D. Robertson, 83, of 3252 Los Gatos highway, was driving north when he struck the tractor which was crossing the highway. The driver of the tractor, Ruben A. Pacheco, 22, also escaped injury.

The tractor bucket was slightly bent, and Robertson's car suffered a damaged right front headlight, and was scraped along the right hand side, say police officers.

Nab Escapees From Honor Camp

San Quentin (P).—Two convicted burglars from Alameda county who vanished from a San Quentin honor camp in Siskiyou county Thursday night have been recaptured.

Both were named Gonsalves but they were not related.

Frank Gonsalves, 32, was picked up the same day by a game warden.

Jesse Gonsalves, 40, was nabbed yesterday near the village of Hamburg in Siskiyou county.

Thieves Enter 3 Parked Cars

Three cars were entered on the East Side Friday night and thieves took property valued at \$50.

William R. Sarow of Boulder Creek, told police that he parked his car in front of 265 4th avenue on Friday night and when he returned to it on Saturday morning, he found a sweater and flashlight had been stolen, which were valued at \$9.

Miss Beatrice Walter of 116 Fairview place, left her vehicle in front of 112 Fairview place and lost a Philco car radio, an antenna, and four rubber floor mats, valued at \$33.

Noel L. Defosset of 412 South Branciforte avenue lost a distributor cap, wires, and a chrome plated loom from under the hood of his car parked in front of a vacant lot adjacent to his home. A hole was punched in the shelf behind the back seat, "presumably to see if there was anything of value in the trunk," say police.

No Injuries In Freeway Accident

Vibrations were blamed for causing a non-injury accident on the Watsonville freeway Friday afternoon.

Henry Evans, 88, of Watsonville, told the highway patrol that he was driving about 40 miles per hour near the Seacliff park turn-off when the front end of his car started to vibrate.

It vibrated so hard that he lost control, he said. The car rolled over and came to a stop on its wheels facing the opposite direction. The accident happened about 3:20 p.m.

The blood's ability to clot is an intricate and vital mechanism that prevents us from bleeding to death when we are hurt.

DO YOU KNOW WHAT THE BIBLE TEACHES?

Would you like to study the Word of God from a non-denominational point of view in order to gain an unprejudiced knowledge of the Bible?

You can realize this desire without cost or obligation to you! A free Bible correspondence course is being offered as a service to this community. ALL it will cost you is the time to study its six lessons and to answer the True-False statements (very little writing) and the postage to return your completed lesson.

If you or your friends would like to study the Bible in the privacy of your home in this manner, then send your name and address to:
