

## Young Readers Invited To Party Tuesday

Young astronauts who participated in the City and County Library summer reading program are invited to a wind-up party Tuesday at 2 p.m. at Santa Cruz Civic Auditorium.

Ready to "hang" their stars, which signify that they have read and reported on 15 books, are Susan Staudacher and Harry Dong. They'll be on hand for the party which will include entertainment and refreshments.

According to Mrs. Thelma Anderson, city and county children's librarian, approximately 1000 youngsters participated in the program with 500 of them reading the required 15 books to earn a certificate and pin. The program covers the entire Santa Cruz County except for the City of Watsonville.
