

# Sabin Clinic Lines All Around The Town

...ve, citizens gathered early  
... View school (left) and  
...orte Junior High (right)  
...ay morning for their  
...ral vaccine. The line

stretched nearly a block around  
the Bay View school. Once the  
main early rush was over, an  
easy flow continued throughout  
the day.

Mr. and Mrs. Elmer A. Poland  
and family of 127 Third avenue  
were part of the more than  
65,000 Santa Cruz county citi-

zens to take Type I Sabin oral  
vaccine at yesterday's big anti-  
polio clinic. They got vaccine  
saturated sugar cubes at Branci-  
forte Junior High school from

Nurse Toni Pickerill. The  
youngsters are, from left,  
Wayne, 3; Pauline, 8, and Linda,  
5.
