A Good Time Was Had By All

Willie (Bill Millslagle) The Clown, provided part of the atmosphere of fun for about 800 persons who attended the annual library party Tuesday in the civic auditorium. Six hundred youngsters, first through eight graders, earned the right for certificates by reading a minimum of 15 books and reporting on them since school let out. The youngsters ate ice cream, watched Walter Hillhouse's ballet students, and heard the Huddleston trio sing. Kathleen Padow, 609 Washington street, gets a handout from Willie.
