

Norman Walters Elected Mayor Of SC

4-21-
65

Councilmen Norman Walters was elected mayor of Santa Cruz for 1965 last night, succeeding Norman Lezin. Lezin, at right, congratulates Walters as Walters assumes office. Walters, 56, is head of musical education for the city

school system. He was elected to the council two years ago, polling the highest number of votes among eight candidates for four council posts in a hotly-contested election. He has taught in the Santa Cruz

school system for 24 years. Councilman Gene Fleming was elected assistant mayor. In the picture above, Lezin holds a gift — a ship's chronometer — presented to him by the council on completion of his mayoral term.
