## Books For Tired Eyes

Santa Cruz Public Library now can purchase many more Books for Tired Eyes, thanks to the Santa Cruz Exchangelettes. Presenting City and County Librarian Geraldine Work with a check for \$750 is Mrs. Bessie Isenhower, club president. This is the third gift the club has made for this purpose. Small but mightily, the 12 active members raise funds for their community service projects with their rummage sales and monthly dues. They also have established a \$200 X-ray technician scholarship at Cabrillo College. The money given to the library is used to purchase both fiction and non-fiction as well as the monthly Readers Digest (also in large type).
