

Prof. Karnoh 6/17/17 at the Casino — 1917

People from the southern part of the state who know the man, will be pleased to learn that Prof. Eugene Karnoh has come to this city for the season and will be located at the Casino near the box ball alley. The professor, who gives readings in palmistry, astrology and phrenology was here 14 years ago and again eight years ago, and some of his old-time friends will remember him. Prof. Karnoh is also representing the Pierce toilet preparations in California and is going to give away a \$2 box of these articles with every reading, doing so to advertise the goods.

At the tent city at Coronado, Prof. Karnoh gave lectures which were a big drawing card, and during the summer months he will undoubtedly give weekly lectures at the Casino which will be free to the public. In the south his audiences numbered from 500 to 600 people.
