

# To Arrange for Plane Landing

---

Lieut. Krull, in his airplane, arrived yesterday afternoon at 4:15 o'clock at the field near Schwan's, where Pilot Spencer's plane lands.

Lieut. Krull was sent here from the Mather field, near Sacramento, to arrange for a landing place for the fleet of planes that will act as escort when the fleet goes to San Francisco.

He made the flight in a Curtiss J-N-4. The machine is camouflaged and is odd in its decoration.

Lieut. Krull was here on the occasion of one of the Liberty loan drives. He is the guest of L. E. W. Pioda.
