## Research park forum

A public forum on UCSC's plan to develop a 50-acre electronics research park adjacent to the campus will be held Nov. 30 at Nelson Center.

The forum will be sponsored by the Santa Cruz Regional Group of the Sierra Club, the Santa Cruz Action Network, the Western Limits Neighborhood Association and the Environmental Council of Santa Cruz County Inc. The League of Women Voters will serve as moderator of the 7:30 p.m. forum.

Chancellor Robert L. Sinsheimer will head a university team at the forum. Panelists will include Santa Cruz City Councilmember Mardi Wormhoudt, county Supervisor Gary Patton and attorney Jonathan Witwer.

Questions from the audience will be solicited.
