## ARE YOU WORRIED ABOUT YOUR TAXES?

BY HAROLD R. BONE, SR.  
Here's how the "Wizards of OZ" in Washington spend some of your money:

- \$470,000 to study the frisbee.
- \$121,000 to find out why people say "ain't." (Now ain't that just dandy.)
- \$2,000,000 to buy Tito a yacht.
- \$71,000 to compile a history on comic books.
- \$19,300 by H.E.W. for finding out why kids fall off tricycles.

There are dozens more like this on the list - these are only the tip of the iceberg.

If you don't like it, why don't you write and tell them about it?

## DISTANT POLITICAL SUPPORT

One particular candidate for political office spoke on and on and on until something went wrong with the microphone and the entire sound system went dead.

But this candidate wasn't quite through. "Can you hear me there in the back of the audience hall?" he shouted.

"Just barely!" returned a voice. "That's fine!" said another voice from a front row, "Let's switch seats."
