Bayview Burns

HISTORIC APTOS LANDMARK BURNS — Fire broke out at 12:52 p.m. yesterday in the Hotel Bayview, one of the county's best-known old buildings located in the heart of Aptos Village. Five units from both Aptos Fire Department stations responded to the call. At press time Fire Department officials could only state that the damage was substantial; they were unsure of the origin of the fire, but had called the County Marshall to investigate possible arson.
