

Juvenile Hall Gives Back

These two redwood picnic tables were presented to the county board of supervisors at juvenile hall yesterday. Taking delivery are supervisors Robert Burton, second from left, and Russ McCallie, right. The presentation was made by La-Von Kindall, juvenile hall superintendent, left, and Margaret Riordan, chairman of the Soroptimist club of Santa Cruz. The Soroptimist club donated money for the project, which took

about 100 hours of work per table. The tables were given to the county for public use at picnic areas or roadside turnouts. Kindall said the project was intended to give the boys "a feeling of giving something instead of receiving." The table-building project will continue if further donations for crafts supplies come in, Kindall said. Donations would be handled through a trust fund run by the county probation office.

Soquel High Arts Festival Tomorrow

A Festival of the Arts will be presented tomorrow and Saturday by the music, art and drama departments at Soquel High school.

The program will start each evening at 7:30 o'clock in the school multi-purpose room.
