~~Notes~~  
Dear Friend;

Thanks to your goodwill and timely support, by unanimous vote the Santa Cruz City Council proclaimed Santa Cruz a PLANETARY CITY.

You are cordially invited to come to the City Hall on Center Street Sunday June 6 at 1:00 pm to a brief but colorful ceremony: the reading of the "Proclamation" by our Mayor, Mike Rotkin. Afterward, in celebration of our new status as the first Planetary City of California, there will be a family picnic at San Lorenzo River Park.. Refreshments, music, and games for all ages will mark the celebration.

June 6 is also World Prayer for Peace Day ; the day of huge demonstrations for Peace at the U. N. in New York; It will also be the beginning of the Second U.N. Disarmament and the commemoration of the signing of the United Nations Charter in San Francisco.

In further celebration of this important event a pot luck dinner and discussion will be held Wednesday night June 9, led by Mr. Gordon Feller, Coordinator of the Planetary Initiative Campaign based at 777 U...N. Plaza, New York. Mr. Feller is visiting the West Coast to talk about the Planetary Initiative and its world-wide growth; and ways in which we, as individuals, might participate in the growing global network of grass roots organizations. This will be an excellent opportunity for the community's families and friends to learn more about this rapidly expanding idea. A pot-luck dinner will begin at 6:00 pm at the St. Stephans Lutheran Church at 2500 Soquel Avenue. Feller will begin to speak at 7:30.

Any donations toward the Initiative will be gratefully appreciated. Thanks again for your generous support. We hope to see you and your family and friends at these events.

Cordially yours,

*Bob Hall*
