Gay Pride Week fete on the Mall

"Out of the closet and into the streets," chanted approximately 350 lesbians, gays and their friends as they celebrated Gay Pride Week Sunday with a march through the Pacific Garden Mall. The march

ended at San Lorenzo Park where about 600 supporters of the civil equality action held a rally. Included were parents of gay children, a gay chorus from San Francisco

and also from San Francisco a few members of the Sisters of Perpetual Indulgence. Joining the march were Santa Cruz Mayor Bruce Van Allen and Councilmen Michael Rotkin and John Laird.
