

Church Construction Proceeds

Construction is proceeding on schedule on the First Christian church at 440 Frederick street and it is expected to be ready for the congregation by the middle of June. Its auditor-

ium will hold 304 persons, the choir loft 26. There will be 10 classrooms, a pastor's study, a choir room and deacons' and elders' room. A blacktopped parking area will accommodate 100 cars. Also in the plans is

a recreation area. Rev. Arthur Watson is pastor and Art Grever is building chairman. The new church will replace the former building at Lincoln and Center streets.
